Events

October 6, 2020

Good morning fellow Probians,

The Social Events Team decided to postpone our “Amble and Lunch” by one week to **Thursday, October 15th**, hoping for warmer weather.

This is a first come, first registered event. **We currently have 5 spaces available!** Please sign up for this event with Gail Read at read2read@outlook.com by **Friday, October 9th**.

- This circuit starts at the Crystal Palace at 10:45 a.m., heads over to Last Duel Park, along the Tay River and through beautiful fall colours as we make our way over to Michael’s Table Patio in time for lunch. The walk is about an hour in length. It can be done on its own or in combination with the lunch.
- Lunch will be served on the patio at Michael’s Table at 12 noon. A maximum seating of 18 is available. Seating will be at tables of 2, consistent with our COVID distancing guidelines.
- You are welcome to attend either one or both of these activities. Please clarify your interest upon registration.

As we are under strict COVID expectations, your cooperation is requested:

- Please remember that social distancing is expected at all times at a 2 metre distance amongst people who do not live under a shared roof.
- Masks must be worn upon arrival at the restaurant and until seating/served; they are also welcome on the walk.
- Hand washing and sanitizer are encouraged.

Kind regards,
Gail and Mary
Social Events Team
