

March 27, 2020

Dear Fellow Probians

We hope you are well and enjoying this beautiful day.

We just wanted to remind you of some of the more recent postings on the [COVID-19 page](#) on our website:

- [First Person with Confirmed COVID-19 reported in Leeds, Grenville and Lanark](#)
- [Information on Using Masks](#) ~ from Derek Cooke
- [Updated Chart: Help Reduce the Spread of COVID-19](#)
- [Shout Out to Embassy Employees](#) ~ a letter to the editor from Probian Gary Smith
- [Hand Sanitizer and Disposable Gloves Available at Home Hardware](#) ~ from Derek Cooke
- [Free Home Delivery from Perth Brewery.](#)

We have attempted to provide you with facts regarding personal care, supports in our community, Probus updates and news across our wonderful country. We will continue to add and to welcome your suggestions and shares. We believe you have the idea and can check our updates as you wish by returning to our [COVID-19 page](#) for future updates.

It's time to put a little humour and the odd laugh into our website, so we have added a new section ~ [5. A Little Humour to Brighten Your Day](#). We have enjoyed the funnies that have been shared by several Probians. We will add to this section and invite you to visit when you need a smile!

Please stay safe, physically distanced and socially connected virtually.

Your Probus Perth COVID-19 Team
