

**Probus Club of Perth  
Proposed Motion on Membership Fee Increase  
Annual General Meeting ~ September 7, 2022**

**Background**

It has been more than 5 years since our annual fees were increased. Our budget for the 2022-23 fiscal year (currently shows a deficit of approximately \$2000) has been prepared on the basis of The Club being able to have in person meetings at the Legion commencing with our September meeting. That decision involves costs which we have not incurred since the pandemic began more than two years ago, including costs associated with attracting interesting speakers from outside our region. The proposed fee increase will enable the Club to be financially sound, an active social Club with attractive speakers. At a meeting on May 30, 2022, the Management Committee approved a motion to be put forward to members to increase the membership fee to \$35 at the AGM on September 7, 2022.

**Proposed Motion**

**It is moved that the membership ratify the decision of the Management Committee to increase the annual fee to \$35 from \$25 effective with our 2022-23 year.**

**Questions**

Should any member have questions or require further information, please contact Graeme Rutledge, Treasurer - before August 15<sup>th</sup>.
