

## **President's Message ~ September 2023**

What a distinct honour it is to be voted President of Perth Probus for the year 2023-24.

We have a strong and dedicated Board/Management Committee who are here to look after your needs and interests. We thank Susan Freeman, now our past president, for her fine leadership, over the past year. We thank all our volunteers who help make our club successful.

We hope that COVID is behind us now. But we will proceed with caution and follow any recommendations given out by the Health Unit.

Coffee is back!! Books are back!! And maybe a joke or two! Excellent speakers and social outings are being planned. It 's going to be a good year!

Gail McAdam, President
